AMENDED IN ASSEMBLY MAY 4, 2005 AMENDED IN ASSEMBLY APRIL 19, 2005

CALIFORNIA LEGISLATURE—2005–06 REGULAR SESSION

ASSEMBLY BILL

No. 1053

Introduced by Assembly Member Bogh

February 22, 2005

An act to add Section 17463.7 to the Education Code, relating to public schools.

LEGISLATIVE COUNSEL'S DIGEST

AB 1053, as amended, Bogh. Beaumont Unified School District: sale of land.

Existing law, the Leroy F. Greene School Facilities Act of 1998 (the Greene Act of 1998), requires the State Allocation Board to allocate to applicant school districts, prescribed per-unhoused-pupil state funding for construction and modernization of school facilities, including hardship funding, and supplemental funding for site development and acquisition.

Existing law requires a school district to use the funds derived from the sale of surplus property for capital outlay or for costs of maintenance of school district property that the governing board of the school district determines will not recur within a 5-year period. Existing law authorizes a school district having an average daily attendance of less than 10,001 in any fiscal year to deposit any and all interest earned on those funds into the general fund of the district if the district meets certain conditions.

This bill would, notwithstanding any other law, and until January 1, 2008, authorize the Beaumont Unified School District to sell certain surplus real and personal property, as specified, and require the school

district to use the proceeds to repay the State Allocation Board for apportionments that are or have been rescinded on projects for which approvable applications are not filed within the timeframe set forth by the board. If the purchase of the property was made using the proceeds of a general obligation bond act or revenue derived from developer fees, the bill would prohibit the amount deposited into the general fund of the school district or county office of education from exceeding the difference between the purchase price of the property and the proceeds of the transaction divided by the amount of the proceeds of the transaction, as defined.

This bill would declare that, due to the special circumstances applicable to the Beaumont Unified School District, a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution, and the enactment of a special statute is therefore necessary.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
